Dear Local Resident to Camino Corto Open Space,

This is a courtesy notice from the Isla Vista Recreation and Park District regarding an upcoming site improvement in your area.

The Isla Vista Recreation and Park District will be coordinating work starting **Monday 5/18/2020 through June 30, 2020** to remove the concrete bollards in the Camino Corto Open Space adjacent to Camino Lindo (see the solid red line on the map included below) as well as address deferred maintenance that is a safety concern to the Camino Corto Swale running north to south (see the yellow area denoted in the map below).

Please contact us if you have any questions.

(805) 968-2017

Sincerely,

Isla Vista Recreation and Park District
